

Volusia County Beach Patrol Junior Lifeguard Program

The Volusia County Beach Patrol Junior Lifeguard program is an extension of the services provided by lifeguard agencies affiliated with United States Lifesaving Association. Participants learn about beach safety in a fun and challenging atmosphere. With professional lifeguards as instructors, the Junior Lifeguard summer programs teach water safety, first aid techniques, build self-confidence and help prepare interested youths for work as lifeguards.

To participate, youths must be between 9 - 15 years of age and meet the swim requirements at one of the upcoming tryouts. Selected youths then can attend the junior lifeguard camps held weekly beginning in June.

Requirements

Swim 100 yards in two minutes and 15 seconds
Tread water for five minutes
Swim underwater for 10 feet

Tryouts

9 a.m. - noon Saturday, May 2
