

## Federal Purpose Area 1 Law Enforcement Programs

### State Purpose Areas:

<b>001 – Law Enforcement Support</b>		
001.01	New Hire Part 1 – During this reporting period, how many new additional law enforcement officers or necessary support personnel were employed?	Numeric
001.02	Overtime Part 1 - During this reporting period, how many hours of overtime were worked?	Numeric
001.03	Procuring equipment, technology, and other material directly related to basic law enforcement functions. Part 1 - During this reporting period, was there procurement of any equipment, technology or other material directly related to basic law enforcement functions? If yes, please provide a detailed explanation in the narrative portion of this report.	Y/N
001.04	Indemnification Insurance Part 1 – During this reporting period, were payments made to defray the cost of indemnification insurance for law enforcement officers. If yes, please provide the dollar amount and the type of insurance in the narrative portion of this report.	Y/N
<b>002 – Multi-jurisdictional Task Force</b>		
002.01	Arrest a specified number of offenders for the commission of drug offenses. Part 1 – During this reporting period, how many offenders were arrested for drug offenses?	Numeric
002.02	Seize a specified number of grams of powdered or crack cocaine. Part 1 – During this reporting period, how many grams of powder of crack cocaine were seized?	Numeric
002.03	Seize a specified number of pounds of marijuana, excluding marijuana plants seized through eradication operations. Part 1 – During this reporting period, how many pounds of marijuana, excluding marijuana plants seized through eradication operations, were seized?	Numeric
002.04	Seize a specified number of grams of dangerous drugs, LSD, PCP, barbiturates, amphetamines, etc. Part 1 – During this reporting period, how many grams of dangerous drugs were seized?	Numeric
002.05	Arrest a specified number of offenders for cultivation and/or manufacturing of marijuana during the grant period. Part 1 – During this reporting period, how many offenders were arrested for cultivation and/or manufacturing of marijuana?	Numeric
002.06	Destroy a specified number of marijuana plants. Part 1 – During this reporting period, how many marijuana plants were destroyed?	Numeric
002.07	Conduct a specified number of drug related investigations. Part 1 – During this reporting period, how many drug related investigations were conducted?	Numeric

<b>03A – Marijuana Eradication</b>		
03A.01	Conduct a specified number of marijuana crop eradication investigations. Part 1 – During this reporting period, how many marijuana crop eradication investigations were conducted?	Numeric
03A.02	Arrest a specified number of offenders on conspiracy to grow or cultivate marijuana. Part 1 – During this reporting period, how many offenders were arrested on conspiracy to grow or cultivate?	Numeric
03A.03	Eradicate a specified number of marijuana plants. Part 1 – During this reporting period, how many marijuana plants were eradicated?	Numeric
<b>03B – Pharmaceutical Diversion</b>		
03B.01	Conduct a specified number of pharmaceutical diversion investigations. Part 1 – During this reporting period, how many pharmaceutical diversion investigations were conducted?	Numeric
03B.02	Arrest a specified number of offenders on pharmaceutical diversion-related charges. Part 1 – During this reporting period, how many offenders were arrested on pharmaceutical diversion-related charges?	Numeric
03B.03	Seize a specified number of doses of prescription drugs through pharmaceutical diversion investigations. Part 1 – During this reporting period, how many doses of prescription drugs were seized through pharmaceutical diversion investigations?	Numeric
03B.04	Seize a specified number of forged, fraudulent, or altered prescriptions through pharmaceutical diversion investigations. Part 1 – During this reporting period, how many forged, fraudulent or altered prescriptions were seized through pharmaceutical diversion investigations?	Numeric
03B.05	Make a specified number of pharmacy contacts through pharmaceutical diversion investigations. Part 1 – During this reporting period, how many pharmacy contacts were made through pharmaceutical diversion investigations?	Numeric
03B.06	Make a specified number of physician contacts through pharmaceutical diversion investigations. Part 1 – During this reporting period, how many physician contacts were made through pharmaceutical diversion investigations?	Numeric
<b>03C – Clandestine Laboratories</b>		
03C.01	Conduct a specified number of clandestine laboratory investigations. Part 1 – During this reporting period, how many clandestine laboratory investigations did you conduct? In the report narrative, briefly describe these investigations and whether they led to a raid and/or a laboratory seizure.	Numeric
03C.02	Arrest a specified number of offenders for manufacture or conspiracy to manufacture a controlled substance. Part 1 – During this reporting period, how many offenders did you arrest for manufacture or conspiracy to manufacture a controlled substance?	Numeric

03C.03	Seize a specified number of clandestine laboratories. Part 1 – How many clandestine laboratories did you seize? In the report narrative, briefly describe any involvement by other local, state or federal law enforcement agencies in these seizures.	Numeric
03C.04	Require a specified number of clandestine lab enforcement team members to attend OSHA certified clandestine laboratory training, including initial and annual refresher training courses. Part 1 – During this reporting period, how many clandestine lab enforcement team members or other personnel were sent to OSHA certified clandestine laboratory training? Indicate who, how many, when, what type of training was received, and if they were certified.	Numeric
03C.05	Inform the Florida Department of Environmental Protection of any outdoor contamination, that is, soils, and/or surface or groundwater. Part 1 – During this reporting period, was the FDEP informed of any outdoor contamination, that is, soils and/or surface groundwater you encountered at any clandestine laboratory sites? Describe when DEP was informed and what action DEP took, if any.	Y/N
03C.06	Inform the Florida Department of Children and Families regarding any children taken into custody as a result of a clandestine laboratory raid. Part 1 – During this reporting period, was DCF informed of any children taken into custody as a result of a clandestine raid? Describe when DCF was notified, how many children were involved, and whether DCF took these children into protective custody.	Y/N
03C.07	Inform the Federal Drug Enforcement Agency of the clandestine laboratory raid. Part 1 – During this reporting period, was the DEA informed of clandestine raids? Indicate if the agency was informed prior to the raids and to what extent, this agency was involved in the raid planning, operation, or post-operation assessment and/or clean-up.	Y/N
03C.08	Notify a qualified disposal contractor to remove all chemicals and associated glassware, equipment, and contaminated waste from the site(s) of each seized laboratory. Part 1 – During this reporting period, did you notify a qualified disposal contractor to remove all chemicals and associated glassware, equipment, and contaminated waste from the site? Please describe when and how you notified the contractor and whether the contractor completed the removal.	Y/N
03C.09	Monitor the transport and disposal of all chemicals, equipment, and contaminated materials and wastes at a properly licensed disposal facility. Part 1 – During this reporting period, was the transport and disposal of all chemicals, equipment, and contaminated materials and wastes at a properly licensed disposal facility monitored? Describe involvement in this monitoring.	Y/N
03C.10	Prepare a comprehensive contamination report on each seized/closed laboratory. Part 1 – During this reporting period, was a comprehensive contamination report prepared on each seized/closed laboratory? These reports will be available for review.	Y/N
03C.11	Purchase equipment and protective gear necessary for the investigation and seizure of clandestine laboratories. Part 1 – During this reporting period, was equipment or protective gear ordered and received as part of this project? If yes, identify these items and their status.	Y/N

### 005 – Disrupting Illicit Commerce

005.01	Arrest a specified number of offenders on property crime / robbery charges. Part 1 – During this reporting period, how many offenders were arrested for property/robbery offenses as a result of grant funded activities?	Numeric
005.02	Conduct surveillance of a specified number of potential burglary / robbery sites. Part 1 – During this reporting period, how many new surveillance sites were initiated?	Numeric
005.03	Conduct a specified number of property crime investigations. Part 1 – During this reporting period, how many property crime investigations were conducted?	Numeric
005.04	Seize an estimated dollar amount of stolen property from offenders. Part 1 – During this reporting period, what is the estimated dollar amount of stolen property seized from offenders?	Numeric
005.05	Conduct a specified number of investigations of fencing operations. Part 1 – During this reporting period, how many investigations of fencing operations were conducted?	Numeric

### 07C – Anti-Terrorism Plans

07C.01	Train a specified number of seaport security personnel. Part 1 – During this reporting period, how many FDLE inspectors were trained on security standards and procedures? Describe this training and indicate the seaports to which these inspectors are assigned. Part 2 – During this report period, how many Florida National Guard (FNG) inspectors were trained in port security standards and procedures? Describe the training and indicate the seaports to which these inspectors are assigned. Part 3 – During this reporting period, how many law enforcement officers were trained in port security standards and procedures? Describe the training and indicate the seaports to which these inspectors are assigned.	Numeric
07C.02	Conduct a specified number of seaport security audits and assessments. Part 1 – During this reporting period, how many inspections were conducted to assess the viability of seaport security plans? Describe the nature of these inspections, which ports were inspected, and any findings and recommendations.	Numeric
07C.03	Facilitate a specified number of seaport security committee meetings. Part 1 – During this reporting period, how many seaport security committee meetings were held? Describe the nature of these meetings with regard to the roles and responsibilities of members in implementing seaport security plans.	Numeric
07C.04	Revise and implement seaport security plans based upon seaport security audits and assessments. Part 1 – During this reporting period, were seaport security plans revised and implemented? Describe any revisions that were implemented based upon security audits and assessments. Part 2 – During this reporting period, were seaport security plans integrated into Florida's Strategic Plan and Funding Strategy? Describe your progress in accomplishing this project activity.	Y/N
07C.05	Develop and utilize a seaport security database. Part 1 – During this reporting period, was computer software and hardware acquired for the database system? Describe what was acquired, from whom it was acquired, and where and when it was installed.	Y/N

	<p>Part 2 – During this reporting period, was end-user requirements assessed and was the database system fully implemented? Describe end-user requirements and how the database system is currently meeting end-user needs.</p> <p>Part 3 – During this reporting period, were system output reports prepared using this database? Describe these reports and how they are used by seaport inspectors, seaport security meetings, and seaport personnel.</p>	
<b>016 – Innovative Programs</b>		
016.01	<p>Prior approval from OCJG is required to use this purpose area and requires the use of project specific objectives.</p> <p>Part 1 – Does your contract include project specific objectives?</p>	Y/N
<b>16C – Violent Fugitive Apprehension</b>		
16C.01	<p>Apprehend a specified number of violent fugitives / escapees.</p> <p>Part 1 – During this reporting period, how many violent fugitives/escapees were apprehended?</p>	Numeric
16C.02	<p>Train a specified number of law enforcement personnel on violent offender apprehension techniques.</p> <p>Part 1 – During this reporting period, how many law enforcement personnel COMPLETED training violent offender apprehension techniques?</p>	Numeric
16C.03	<p>Continue to maintain and upgrade the statewide DC-Escapee Database and the Violent Fugitive Tracking Database.</p> <p>Part 1 – During this reporting period, were any upgrades made to either the DC-Escapee or Violent Fugitive Tracking Databases?</p>	Y/N
<b>16F- THUGS (Violent Felons with Guns)</b>		
16F.01	<p>Describe the relevant operations of local law enforcement projects.</p> <p>Part 1 – During this reporting period, were strategies and methods for targeting THUGS developed and/or revised? Describe any development of revised strategies or methods.</p> <p>Part 2 – During this reporting period, was personnel assigned or reassigned to the THUGS operation for investigation activities? Describe this assignment or reassignment of personnel.</p> <p>Part 3 – During this reporting period, was there participation with the state prosecutor in criminal prosecution of any THUGS cases? Describe this participation.</p> <p>Part 4 – During this reporting period, were any felons with outstanding warrants who qualify as THUGS identified and submitted to FDLE for inclusion in the statewide THUGS database? If yes, indicate how many were submitted.</p>	Y/N
16F.02	<p>Conduct a specified number of criminal investigations targeting THUGS.</p> <p>Part 1 – During this reporting period, how many criminal investigations were conducted targeting THUGS?</p>	Numeric
16F.03	<p>Arrest a specified number of THUGS.</p> <p>Part 1 – During this reporting period, how many THUGS were arrested?</p>	Numeric
16F.04	<p>Describe state prosecutor activity on criminal cases developed as a result of the THUGS program.</p> <p>Part 1 – During this reporting period, did the state prosecutor initiate or continue any activity on criminal cases resulting from the THUGS program? Describe any state prosecutor activity.</p>	Y/N

16F.05	Prosecute a specified number of THUGS under provision of Florida's 10-20-Life Statute by coordinating law enforcement activities with state prosecutors. Part 1 – During this reporting period, how many THUGS were prosecuted under Florida's 10-20-Life Statute? Describe these cases.	Numeric
<b>018 – Domestic Violence</b>		
018.01	Investigate a specified number of domestic violence cases. Part 1 – During this reporting period, how many domestic violence investigations were initiated?	Numeric
018.02	Arrest a specified number of domestic violence offenders. Part 1 – During this reporting period, how many domestic violence offenders were arrested?	Numeric
018.03	Provide court liaison services to a specified number of domestic violence victims. Part 1 – During this reporting period, how many domestic violence victims were provided court liaison services?	Numeric
018.04	Provide case management services to a specified number of domestic violence victims. Part 1 – During this reporting period, how many domestic violence victims were provided case management services?	Numeric
018.05	Refer a specified number of domestic violence victims to community resources. Part 1 – During this reporting period, how many domestic violence victims were referred to community resources?	Numeric
018.06	Provide shelter services to a specified number of domestic violence victims. Part 1 – During this reporting period, how many domestic violence victims were NEW ADMISSIONS and/or READMISSIONS to shelter services?	Numeric
018.07	Provide counseling services to a specified number of domestic violence victims. Part 1 – During this reporting period, how many domestic violence victims were NEW ADMISSIONS and/or READMISSIONS to counseling services?	Numeric
018.08	Provide treatment services to a specified number of domestic violence offenders. Part 1 – During this reporting period, how many domestic violence offenders were NEW ADMISSIONS and/or READMISSIONS to treatment services?	Numeric
018.09	Estimate that a specified number of domestic violence offenders will complete their prescribed treatment regime. Part 1 – During this reporting period, how many domestic violence offenders COMPLETED their prescribed treatment regime?	Numeric
018.10	Provide education and training on domestic violence issues to a specified number of criminal justice personnel. Part 1 – During this reporting period, how many criminal justice personnel COMPLETED education and training on domestic violence?	Numeric
018.11	Provide information on domestic violence issues to the general public. Part 1 – During this reporting period was information on domestic violence issues provided to the general public? If yes, describe how this was accomplished.	Y/N
018.12	Provide urinalysis services to a specified number of domestic violence offenders. Part 1 – During this reporting period, how many domestic violence offenders were provided urinalysis services?	Numeric
018.13	Provide education and training on domestic violence issues to a specified number of treatment service personnel. Part 1 – During this reporting period, how many treatment service personnel COMPLETED education and training on domestic violence issues?	Numeric

018.14	Refer a specified number of domestic violence offenders to community resources. Part 1 – During this reporting period, how many offenders were referred to community resources?	Numeric
<b>21B – Urban Enforcement – Local</b>		
21B.01	Arrest a specified number of offenders for the commission of drug offenses. Part 1 – During this reporting period, how many offenders were arrested on drug charges?	Numeric
21B.02	Seize a specified number of grams of powder or crack cocaine. Part 1 – During this reporting period, how many grams of powder or crack cocaine were seized?	Numeric
21B.03	Seize a specified number of pounds of marijuana, excluding marijuana plants seized during eradication operations. Part 1 – During this reporting period, how many pounds of marijuana, excluding marijuana plants seized during eradication operations, were seized?	Numeric
21B.04	Seize a specified number of grams of dangerous drugs, LSD, PCP, barbiturates, amphetamines, etc. Part 1 – During this reporting period, how many grams of dangerous drugs, LSD, PCP, barbiturates, amphetamines, etc. were seized?	Numeric
21B.05	Arrest a specified number of offenders for cultivation of marijuana. Part 1 – During this reporting period, how many offenders were arrested for cultivation of marijuana?	Numeric
21B.06	Eradicate a specified number of marijuana plants. Part 1 – During this reporting period, how many marijuana plants were seized?	Numeric
21B.07	Conduct a specified number of drug related investigations. Part 1 – During this reporting period, how many drug related investigations were conducted?	Numeric
<b>022 – DUI Enforcement and Prosecution</b>		
022.01	Arrest a specified number of offenders for Driving Under the Influence. Part 1 – During this reporting period, how many offenders were arrested for Driving Under the Influence?	Numeric
022.02	Conduct a specified number of Breath Intoxilyzer Tests. Part 1 – During this reporting period, how many Breath Intoxilyzer Tests were conducted?	Numeric
022.03	Conduct a specified number of DUI motor vehicle checkpoint stops. Part 1 – During this reporting period, how many DUI motor vehicle checkpoint stops were conducted?	Numeric
022.04	Conduct a specified number of DUI Public Awareness Campaigns. Part 1 – During this reporting period, how many DUI Public Awareness Campaigns were conducted?	Numeric
022.05	Train a specified number of federal, state, and local law enforcement officers in the proper use and operation of evidentiary breath test instruments. Part 1 – During this reporting period, how many law enforcement officers were trained in the proper use and operation of evidentiary breath test instruments?	Numeric
022.06	Purchase a specified number of evidentiary breath test instruments. Part 1 – During this reporting period, how many evidentiary breath test instruments did you purchase?	Numeric

022.07	Purchase a specified number of computer / printer / software packages. Part 1 – During this reporting period, how many computer / printer / software packages were purchased?	Numeric
022.08	Distribute a specified number of evidentiary breath test instruments to criminal justice breath test facilities in Florida. (State Agency only) Part 1 – During this reporting period, how many evidentiary breath test instruments were distributed?	Numeric
022.09	Distribute a specified number of computer / printer / software packages to criminal justice breath test facilities in Florida. (State Agency only) Part 1 – During this reporting period, how many computer / printer / software packages were distributed?	Numeric
022.10	To conduct a specified number of criminal prosecutions for Driving Under the Influence. Part 1 – During this reporting period, how many criminal prosecutions were initiated?	Numeric
022.11	To prosecute a specified number of offenders on criminal charges for Driving Under the Influence. Part 1 – During this reporting period, how many offenders were prosecuted on criminal charges for Driving Under the Influence? [i.e. case dispositions were reached on the charges]?	Numeric
022.12	To convict a specified number of DUI offenders. Part 1 – During this reporting period, how many offenders were convicted?	Numeric
022.13	To train a specified number of personnel in the prosecution of DUI offenders. Part 1 – During this reporting period, how many personnel were trained in the prosecution of DUI offenders?	Numeric
022.14	To refer or sentence a specified number of DUI defendants to a treatment program. Part 1 – During this reporting period, how many DUI defendants were referred or sentenced to a treatment program?	Numeric
022.15	Track the number of defendants who have been accepted into a treatment program. Part 1 – During this reporting period, were the number of defendants who have been accepted into a treatment program tracked? Describe how many defendants were accepted into a treatment program?	Numeric
<b>024 – Gang Abatement</b>		
024.01	Identify, collect, document, track, maintain, and distribute information to law enforcement units on a specified number of known gang members. Part 1 – to date, how many known gang members have been identified and are being tracked?	Numeric
024.02	Arrest or assist in the arrest of a specified number of gang members and at risk youths on various law violations. Part 1 – During this reporting period, how many gang members or at risk youths were arrested?	Numeric
024.03	Transport a specified number of gang members and at risk youths who were truants or suspended students. Part 1 – During this reporting period, how many gang members or at risk youths who were truant or suspended were transported?	Numeric
024.04	Educate a specified number of community members on the issues concerning gangs.	Numeric

	Part 1 – During this reporting period, how many community members were provided information concerning gang issues?	
024.05	Publish a specified number of bulletins concerning gangs and gang members to all local law enforcement agencies. Part 1 – During this reporting period, how many bulletins concerning gangs and gang members were distributed to local law enforcement agencies?	Numeric
<b>026 – Anti-Terrorism Training and Equipment</b>		
026.01	Develop and distribute a Nuclear, Biological, Chemical Agent training package for 9-1-1 and Emergency Communications Centers statewide. Part 1 – During this reporting period, has progress been made in the development and distribution of the NBC training package for 9-1-1 and Emergency Communications Centers?	Y/N
026.02	Develop and implement a Terrorism Annex to the State Comprehensive Emergency Management Plan. Part 1 – During this reporting period, has progress been made in the development and implementation of the Terrorism Annex to the State Comprehensive Emergency Management Plan?	Y/N
026.03	Conduct training for a specified number of personnel to serve as technical experts to local jurisdictions in the event of a Nuclear, Biological, Chemical or other Weapons of Mass Destruction event. Part 1 – During this reporting period, how many people were trained to serve as NBC/WMD technical experts to local jurisdictions?	Numeric
026.04	Provide training for a specified number of local law enforcement and first responder personnel. Part 1 – During this reporting period, how many local law enforcement and first responder personnel were trained in anti-terrorism measures?	Numeric
026.05	Provide equipment for anti-terrorism training and operations. Part 1 – During this reporting period, was equipment ordered for anti-terrorism training and operations? If yes, describe. Part 2 – During this reporting period, was equipment for anti-terrorism training and operations received? If yes, describe. Part 3 – During this reporting period, was purchased equipment for anti-terrorism training and operations distributed? If yes, indicate which agencies received equipment and the quantity. If equipment was received but not distributed, explain. Part 4 – During this reporting period, was equipment for anti-terrorism training and operations used? If yes, describe briefly.	Y/N
026.06	Develop a coordinated and comprehensive terrorism response plan. Part 1 – During this reporting period, was a coordinated and comprehensive terrorism response plan developed or implemented? If yes, describe how the plan was developed. If no, describe the reason the plan was not developed.	Y/N
<b>027 – Child Abuse</b>		
027.01	Investigate a specified number of child abuse cases. Part 1 – During this reporting period, how many child abuse investigations were initiated?	Numeric
027.02	Arrest a specified number of child abuse offenders. Part 1 – During this reporting period how many child abuse offenders were arrested?	Numeric

027.03	Provide court liaison services to a specified number of child abuse victims. Part 1 – During this reporting period, how many child abuse victims were provided court liaison services?	Numeric
027.04	Provide case management services to a specified number of child abuse victims. Part 1 – During this reporting period, how many child abuse victims were provided case management services?	Numeric
027.05	Refer a specified number of child abuse victims to community resources. Part 1 – During this reporting period, how many child abuse victims were referred to community resources?	Numeric
027.06	Provide shelter services to a specified number of child abuse victims. Part 1 – During this reporting period, how many child abuse victims were NEW ADMISSIONS and/or READISSIONS to shelter services?	Numeric
027.07	Provide counseling services to a specified number of child abuse victims. Part 1 – During this reporting period, how many child abuse victims were NEW ADMISSIONS and/or READISSIONS to counseling services?	Numeric
027.08	Provide treatment services to a specified number of child abuse offenders. Part 1 – During this reporting period, how many child abuse offenders were NEW ADMISSIONS and/or READISSIONS to treatment services?	Numeric
027.09	Estimate that a specified number of child abuse offenders will complete their prescribed treatment regime. Part 1 – During this reporting period, how many child abuse offenders COMPLETED their prescribed treatment regime?	Numeric
027.10	Provide education and training on child abuse issues to a specified number of criminal justice personnel. Part 1 – During this reporting period, how many criminal justice personnel COMPLETED education and training on domestic violence issues?	Numeric
027.11	Provide information on child abuse to the general public. Part 1 – During this reporting period, was information on child abuse issues provided to the general public?	Y/N
027.12	Provide urinalysis-testing services to a specified number of child abuse offenders. Part 1 – During this reporting period, how many child abuse offenders were provided urinalysis-testing services?	Numeric
027.13	Provide education and training on child abuse issues to a specified number of treatment service personnel. Part 1 – During this reporting period, how many treatment service personnel COMPLETED education and training on child abuse issues?	Numeric
027.14	Refer a specified number of child abuse offenders to community resources. Part 1 – During this reporting period, how many child abuse offenders were referred to community resources?	Numeric
027.15	Supervise a specified number of visitations. Part 1 – During this reporting period, how many supervised visitations occurred?	Numeric
027.16	Monitor a specified number of exchanges. Part 1 – During this reporting period, how many exchanges were monitored?	Numeric
027.17	To conduct a specified number of sexual offender residence verifications. Part 1 – During this reporting period, how many sexual offender residence verifications were conducted?	Numeric
027.18	To conduct a specified number of sexual predator residence verifications. Part 1 – During this reporting period, how many sexual predator residence verifications were conducted?	Numeric
