

## Marine Science Center Adoption Program

Thank you for your interest in helping save a sick or injured animal! By adopting a sick or injured animal, you have chosen to become an integral part of the rehabilitation efforts of the Marine Science Center. All donations directly benefit the rehabilitation and care of sick or injured wildlife here at the Marine Science Center

Our basic Adoption Package includes:

- A photo of the bird or turtle species you are adopting
- Information on your new family member
- A subscription to the MSC Newsletter
- An official Adoption Certificate.

*All adoptions are for a one-year period.*

*We thank you for caring!!*
