**AG IN THE CLASSROOM SUMMER DAY CAMP<sup>SM</sup>** program with UF-IFAS and Volusia County Extension Service provides a hands-on approach to learning horticulture, environmental science, Florida agriculture, and healthy eating habits. The program is committed to helping young people become good gardeners.

An exciting learning adventure is waiting for you to create and explore.

# Ag in the Classroom Summer Day Camp<sup>SM</sup>

A new and innovative youth gardening program offered by University of Florida-IFAS Horticulture Extension and Volusia County Master Gardeners

June 14 - 18, 2010

For children age 9 or 10 only

Pre-registration is required!

**MUST COME TO THE AG CENTER TO REGISTER**

Presented by UF-IFAS Horticulture  
Extension and Volusia County  
Master Gardeners

# Ag in the Classroom Summer Day Camp<sup>SM</sup>

**This program teaches Florida agriculture education through fun and creative activities.**

Young gardeners are introduced to the art and science of gardening, helping them develop leadership, and life skills to become good citizens within their communities, schools, and families.

We will be educating your child in five areas of study:  
Plant Growth and Development, Ecology, Trees and Flowers, Fruits and Vegetables, Insects, and Florida Agriculture.

**This program is limited to 30 participants.**

**Wear old, garden-friendly clothing because these are hands-on classes!**

**You must provide your own bag lunch!**
